MURPHY PEARSON BRADLEY & FEENEY, P.C. WAS FOUNDED upon one principle: "A trial by jury is the only anchor ever yet imagined by man, by which a government can be held to the principles of its Constitution." —Thomas Jefferson

Our lawyers have been successfully trying cases for our clients since 1978.

MPB&F is small enough to provide individualized attention to clients, yet large enough to handle all types of complex civil, commercial and business litigation. The firm handles litigation and risk management for all types of professionals, including the defense of professionals, judges, attorneys, accountants, architects, directors and officers, medical professionals and realtors, as well as complex business litigation, intellectual property, taxation, corporate and white collar defense. We also represent plaintiffs in personal injury and commercial litigation. Our clients know that we have professionals who can successfully try civil cases for them. Members of the law firm have been accorded the highest

awards for recognition by the most prestigious civil trial organizations in the world, including ABOTA and the American College of Trial Lawyers. The firm's resume of trial verdicts favoring its clients include plaintiff's personal injuries, plaintiff's insurance bad faith, attorney malpractice, accountant malpractice, real estate agent malpractice, wrongful death, trademark and copyright, and trade secrets protection and prosecution. Additionally, our firm's JDs and CPAs offer tax and other regulatory advice. Our extensive trial experience and broad range of legal practice areas enable us to offer a full range of services to our clients.

The firm is honored that founding shareholders James Murphy and Arthur Pearson, managing shareholder Michael Bradley, senior shareholders John Feeney, Gregory Bastian and Timothy Halloran have been recognized in *Super Lawyers*® again this year. William Kronenberg rounds out the *Super Lawyers* selectees for this year, and we are also proud of the repeat selection of shareholder Aaron McClellan and director Summer Smith and the addition of director Janet Everson in *Rising Stars*.
